**BC FERRIES ANNOUNCES THANKSGIVING PRICING PROMOTION**  
**Choose from select early morning and late evening sailings from \$39 for vehicle and driver**

VICTORIA – BC Ferries announced today that early morning and late evening savings are back for the Thanksgiving travel period. This promotion gives customers the opportunity to save significantly on more than 100 select early morning and late evening sailings on routes between Metro Vancouver – Vancouver Island and Metro Vancouver – Sunshine Coast over the long weekend.

From October 5 to 10, BC Ferries is offering standard under-height vehicle and driver fares from \$39 on select sailings between Tsawwassen – Swartz Bay, Tsawwassen – Duke Point and Horseshoe Bay – Departure Bay, and at \$39 return-trip between Horseshoe Bay – Langdale.

“The Thanksgiving Savings promotion offers holiday travellers discounts on less crowded sailings during one of our busiest travel periods,” said Janet Carson, BC Ferries’ Vice President of Marketing and Travel Services. “By moving more traffic to less busy sailings, we create more availability for other customers during the rest of the day.”

On October 6 and October 9, the busiest days of the Thanksgiving long weekend, BC Ferries has added 6 a.m. and midnight sailings on the Swartz Bay – Tsawwassen route to allow customers to take advantage of savings by travelling earlier or later to avoid the congested peak mid-day travel periods. Early 6 a.m. sailings included in the promotion are also available on October 7 and October 10 on the Swartz Bay – Tsawwassen route.

Space on the promotional sailings is on a first-come, first-served basis. BC Ferries recommends customers make a reservation to guarantee travel at the time of their choice. Reservations are just \$10 if booked seven days or more in advance.

Sailing schedule details for the Thanksgiving Savings promotion can be viewed [here](#). Extra sailings on major routes are being added for the Thanksgiving long weekend.
