## **\$39 COASTSAVER FARE HELD OVER BY POPULAR DEMAND**

VICTORIA – BC Ferries’ \$39 CoastSaver car and driver fare has been extended one extra week due to its popularity with summer travellers. The CoastSaver fare which is offered on the three major routes between Vancouver and Vancouver Island on all sailings on Tuesdays, Wednesdays and Thursdays now extends through September 10.

BC Ferries’ customers can spend the night and save even more by booking overnight accommodation with one of BC Ferries’ partnered properties, the Coast Hotel and Resorts in Victoria, Vancouver, Tsawwassen and Nanaimo for only \$129.00 per night.

“BC Ferries is pleased to extend this special fare to help families enjoy the last week of summer vacation before the kids go back to school,” said Janet Carson, BC Ferries’ Vice President of Marketing and Travel Services.

During the busy summer season, BC Ferries recommends that customers make a reservation to guarantee their desired sailing. Metro Vancouver customers are reminded that the Tsawwassen-Duke Point route offers an easy alternative to reach Nanaimo and northern Vancouver Island.
