

Information for Passengers With Special Needs

Special Vehicle Loading

If you use a wheelchair or walking aid, or have some other disability or special need that requires you to be located near an elevator, please inform the ticket agent. At the terminal, you will be given a windshield card, which is used to signal the crew that your vehicle should be parked near the elevator.

As you drive onboard, (please use your vehicle's hazard lights) you will be directed to a location that is as close as possible to an elevator. Park so that your vehicle door can be opened for easy exiting and access to the elevator.

Because you may be one of the first to board the ferry, you must be in the terminal at least 20 minutes prior to the scheduled departure time.

Please note this service does not provide you with assured loading. If there is an overload situation, or our elevator is out of order, you will be advised that your vehicle may be loaded on the next available ferry.

Elevator Service & Specially Equipped Washrooms

All ferries travelling between Vancouver Island and the mainland of British Columbia have elevators and specially equipped washrooms for passengers with special needs. Ask any crew member for directions.

Travelling on Shorter Routes

Most of our smaller ferries to the Northern and Southern Gulf Islands do not have elevator service. Passengers unable to manage stairs will be required to remain on the vehicle deck. These ships operate on routes where the crossing time is short and most passengers remain in their cars.

Terminal Parking

Special parking for people with disabilities is available next to the entrance of all major terminals. Check the signs for time restrictions. Special parking is also available in pay-parking areas.

Special Fares

If you have a permanent disability, discount fares are available for you and your escort.

To receive this rate, you must present your **BC Ferries Disabled Status Identification (DSI) Card** when you arrive at the ferry terminal. Discounts apply to passenger fares only, not to vehicle rates.

Take advantage of the disabled persons' rate. This will save you about one-half the regular passenger fare for both you and your travelling companion.

As discounts cannot be given after you have completed your trip, any discrepancies involving the fare you are charged should be resolved prior to sailing. This way we can verify your claim and process a refund right away.

If you are using our prepaid tickets for frequent travellers, one passenger ticket can be used for two people. A half ticket is accepted for those travelling alone. The disabled persons' rate cannot be combined with promotional offers or with other special fares such as BC seniors' discounts.

Applying for Your DSI Card

Complete the attached application form and send it to us by mail or by fax. Please remember to include the documentation requested on the form.

Fare Discounts for Specially Equipped Vehicles

Passengers requiring the use of an "overheight" vehicle equipped with a wheelchair lift or ramp may travel at the posted "underheight" vehicle (or car) tariff. Show your BC Ferries Disabled Status ID Card and inform the Ticket Agent of your vehicle's special status.

Organized Groups

A group of individuals with permanent disabilities, organized by a recognized association for people with physical or mental disabilities, may follow this procedure:

- The leader of the group would write a letter on the Association's letterhead, confirming the number of people who will be travelling (including escorts) and date of travel.
- Show this letter to the Ticket Agent at the terminal when you are purchasing tickets. This will confirm your group's eligibility.
- Be sure to keep your letter to use it again on the return trip.

Disabled Status Application

Who Qualifies?

A resident of British Columbia with a permanent disability is eligible for special rates.

The impairment must be permanent and severe. For the purpose of these qualifications, *severe* means the impairment impedes normal daily functioning.

For example, a qualifying impairment may result in the inability to:

- carry out personal care activities such as preparation, serving and eating of meals, dressing, washing, bathing, personal grooming, etc.,
- be mobile without personal assistance,
- manage personal affairs without supervision.

Section 3: Do you receive Assistance from the Ministry of Human Resources for Persons with Disabilities (PWD)?

YES NO

You do qualify for reduced rates on BC Ferries if you are receiving PWD benefits from the BC Ministry of Human Resources. Obtain a "Release of Personal Information" form from your financial assistance worker, and enclose it with your application. (A cheque stub is not sufficient.) The "Release of Personal Information" must clearly confirm that you are a PWD recipient.

BC Ferries reserves the right to review applications from time to time.
