I. Employment Information

Licensed Deck: requires certificate of competency as issued by Canada Coast Guard and Master Local Voyage certification. Will be required to undergo a seafarers' medical examination.

Licensed Engineering: requires certificate of competency as issued by Canada Coast Guard and second motor certificate. Will be required to undergo a seafarers' medical examination.

Deckhand: requires Marine Emergency duties certificates (Parts A1, B1, B2); ability to react in a safe and effective manner during an emergency; ability to direct and control vehicles and passengers; working knowledge of safe work practices and seamanship; and ability to climb ladders, handle ships' lines and move heavy objects. Preference may be shown to applicants with Bridgewatch or higher certificate. Will be required to undergo a seafarers' medical examination.

Engine Room Assistant (ERA): candidate must have proven mechanical ability. Preference may be shown to applicants with diesel engine training at the pre-apprenticeship level. Preference may be given to applicants with a Fourth Class Motor Certificate. Will be required to undergo a seafarers' medical examination.

Catering & Galley: ability to provide quality service to customers in a courteous manner; ability to perform a high volume of activity for prolonged periods; and basic knowledge of health and safety practices. Preference may be shown to applicants with FoodSafe, Serve it Right, Superhost, Occupational First Aid and food service experience. **Galley:** requires cook's training and certification. Preference may be shown to applicants holding trade qualification.

Ticketing & Cash Handling: ability to complete large volumes of cash and media transactions; ability to observe a busy environment and take appropriate action; ability to learn, interpret and apply written policies and procedures; ability to treat customers in a courteous, helpful manner; and ability to exercise good judgment when responding to customer complaints. Preference may be shown to applicants possessing substantial previous cash handling experience.

Terminal Attendant: requires valid driver's license; ability to operate and maintain equipment and machinery; and ability to perform continuous activities which may include lifting and moving heavy objects.

Catering Stores: requires valid driver's license; ability to follow instructions; and ability to lift and move boxes weighing up to 25 kg. Preference may be shown to applicants with three years of warehousing experience.

Administration (Clerical): using the Microsoft Office suite of products, applicants should be competent using MS Word, Excel, PowerPoint and Outlook. Preference may be shown to applicants with a minimum of two years related clerical experience.

Trades: requires a trade qualification certificate relevant to the position applied for.

Labourer: requires a pre-apprenticeship in a mechanical trade, a valid B.C. driver's license and at least one year's experience, preferably in a marine environment or on a multi-trade site.

J. Additional Information

The above information briefly summarizes the necessary skills, certificates and experience required/preferred for the positions listed. If you wish to further identify how your background is suitable for the position for which you have applied, please note it below and/or attach a resume.
