## **BC FERRIES ADDS EXTRA SAILINGS FOR SPRING BREAK AND EASTER**

VICTORIA – BC Ferries announced today that it will add more than 65 sailings on its major routes over Spring Break and the Easter long weekend.

The majority of the extra sailings will be added to the Tsawwassen – Swartz Bay route, which is the busiest route in the system. During this time, four vessels will service this route in order to accommodate increased numbers of travellers. Extra sailings are also scheduled on the Horseshoe Bay – Langdale route.

Thursday, March 20 is expected to be one of the busiest days of the holiday period on the Lower Mainland – Vancouver Island routes. To help customers with their travel planning, BC Ferries has added a new calendar to its website which shows historically busy days including the busiest sailing times each day for all major routes.

Travellers on the Departure Bay – Horseshoe Bay route are reminded that they will now have the opportunity to sail on BC Ferries' newest ship, Coastal Renaissance. Sailing times for the new Coastal Renaissance are posted on our website.

In addition, travellers are reminded that they can take advantage of BC Ferries' popular CoastSaver fares on all Tsawwassen – Duke Point sailings during the month of March. When travelling on a CoastSaver sailing, customers will save \$15 per passenger vehicle and \$5 per passenger. Customers will also have access to CoastSaver fares on the 7 a.m. and 9 a.m. sailings between Tsawwassen and Swartz Bay every Sunday morning during March.
