BC FERRIES ANNOUNCES 50 PER CENT OFF VEHICLES PROMOTION
More than 3,100 sailings are eligible for the promotion

VICTORIA – BC Ferries announced today that a major fleetwide pricing promotion of 50 per cent savings on vehicle fares will be in effect starting mid-November. Similar to a promotion last fall, customers travelling on select sailings will receive the discount off the standard vehicle fare. This year there will be over 3,100 promotional sailings to choose from, including select Sunday morning sailings.

For North Coast routes servicing Port Hardy, Prince Rupert, Haida Gwaii, Alliford Bay and Skidegate, as well as the Discovery Coast Connector, the half-price discount will apply on all sailings from November 14 – December 18. On all of the other routes, the promotion will be in effect on select sailings Monday through Thursday, Saturday and Sunday from November 14 – December 18. The 50 per cent fare discount will apply to cars, motorcycles, trucks, SUVs, vans or recreational vehicles (discount applies to the first 20 feet of vehicle length only).

“BC Ferries is pleased to once again offer this vehicle promotion for customers to enjoy some savings this fall,” said Mike Corrigan, BC Ferries’ President and CEO. “We understand fare affordability remains a key concern for customers and hope they take advantage of this promotion when planning their fall travel. It was very popular last year and encouraged many passengers to travel on off-peak sailings, which helps shift traffic across our system.”

The promotions help reduce congestion at terminals by encouraging both foot and vehicle passengers to travel on off-peak sailings. BC Ferries is planning another pricing promotion for next spring.

Space on the selected sailings is on a first-come, first-serve basis. Reservations are recommended to ensure a spot on the sailing of choice. For more details about the 50 per cent off vehicles promotion, visit bcferries.com.

Under contract to the Province of British Columbia, BC Ferries is the service provider responsible for the delivery of safe, efficient and dependable ferry service along coastal British Columbia.
