2. ENTIRE AGREEMENT

- 2.1 This Lease, the Master Agreement and the Coastal Ferry Services Contract constitute the entire agreement between the parties with respect to the subject matter of this Lease and supersede and revoke all prior negotiations and representations. No understanding, agreement, representation or warranty, oral or otherwise, exists between the parties with respect to the subject matter of this Lease except as expressly set out in this Lease, the Master Agreement and the Coastal Ferry Services Contract.
- 2.2 In the event of any inconsistency amongst the provisions in this Lease, the Master Agreement or the Coastal Ferry Services Contract, the provisions in the Coastal Ferry Services Contract will take precedence over this Lease and the Master Agreement.

3. INTERPRETATION

- 3.1 This Lease will be interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable in the Province of British Columbia.
- 3.2 Where there is a reference to an enactment of the Province of British Columbia or of Canada in this Lease, that reference will include a reference to every amendment to it, every regulation made under it and any subsequent enactment of like effect. Unless otherwise indicated, all enactments referred to in this Lease are enactments of the Province of British Columbia.
- 3.3 The headings in this Lease are for reference purposes only and are not to be relied upon for purposes of interpretation.
- 3.4 Wherever the masculine, feminine, body corporate, singular or plural is used in this Lease, the parties agree to substitute feminine, masculine, individual, plural or singular where the

context so requires. This principle applies to all words in this Lease, including defined terms.

- 3.5 Each obligation or agreement contained in this Lease is to be construed as and considered for all purposes as a covenant.
- 3.6 If any part of this Lease is found to be illegal or unenforceable, that part will be considered separate and severable and the remainder of this Lease will remain binding and enforceable insofar as is required to give effect to the intent of the parties as evidenced by this Lease.
- 3.7 The words “including,” “include” or other variations thereof, when following any general statement, term or matter is not to be construed to limit such general statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters whether or not nonlimiting language (such as “without limitation” or “but not limited to” or words of similar import) is used with reference thereto, but rather such general statement, term or matter is to be construed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter.
- 3.8 Any reference in this Lease to a designated “Paragraph,” “Schedule” or any other subdivision is a reference to the designated Paragraph, Schedule or other subdivision of this Lease unless the context requires otherwise.
- 3.9 The parties acknowledge that the Tenant is, as at the date of this Lease, applying to be converted to a company under the *Company Act*, R.S.B.C. 1996, c. 62 and the parties each covenant and agree that all rights and obligations of the parties as set out in this Lease will continue on such conversion.

4. TIME OF THE ESSENCE

- 4.1 Time is of the essence in this Lease.

5. NET LEASE

- 5.1 Subject to the limits on the financial obligations of the Tenant as expressly set out in this Lease or in the Master Agreement, the Tenant acknowledges and agrees that this Lease is intended to be a completely carefree absolutely net lease to the Landlord and that the Landlord will not be responsible for any costs, charges, expenses or outlays of any nature or kind whatsoever arising from or relating to this Lease or any matters contemplated in this Lease, the Tenant, any Occupant, the Ferry Terminal Properties, Leasehold Improvements, Existing Facilities or New Facilities, including the use, repair, maintenance, development, management, lease or operation of same, or any part thereof, and the Tenant covenants with the Landlord to pay promptly all of such costs, charges, expenses or outlays.

6. DEMISE AND TERM

- 6.1 Subject to the terms of this Lease and the rights of the parties as set out herein, the Landlord demises and leases to the Tenant the Ferry Terminal Properties from 12:01 a.m. on the Commencement Date, for and during the Term, which will end at midnight on the 31st day of March, 2063, subject only to any earlier termination hereunder and the renewal of this Lease in accordance with the terms and conditions set forth in Paragraph 7.

7. RENEWAL

- 7.1 In the event that the Tenant becomes entitled to renew the Coastal Ferry Services Contract in accordance with the provisions of that contract, then, provided that the Tenant is not in default of any of the Tenant's Obligations, the Tenant may, by written notice delivered to the Landlord at least 12 months prior to the End Date, renew this Lease and extend the Term for one additional period of twenty (20) years commencing on the date immediately following the End Date and this Lease will be renewed on the same terms and conditions as set out in this Lease except that there will be no further right of renewal.

8. RIGHT TO TERMINATE

- 8.1 In the event that the Tenant wishes to discontinue all such Designated Ferry Routes (as defined in the Coastal Ferry Services Contract) operating to or from the Ferry Terminal Properties, the Tenant must first:
- (a) provide the Landlord with written notice, at least two (2) years in advance of the date upon which the Tenant will discontinue all such Designated Ferry Routes; and
 - (b) have duly complied with all of the Tenant's Obligations and its obligations as set out in the Coastal Ferry Services Contract;

and in such event the Lease will terminate on the date specified by the Tenant in its notice given under Paragraph 8.1(a) and the Tenant will not be entitled to a rebate or refund of any prepaid Rent.

- 8.2 (a) If the British Columbia Ferries Commissioner appointed under the *Coastal Ferry Act* or any other person of Competent Authority issues an Order authorizing the Tenant to discontinue all Designated Ferry Routes to or from the Ferry Terminal Properties, then the Tenant will deliver to the Landlord a true copy of such Order within five (5) days of the Tenant's receipt thereof and this Lease will terminate on the effective date of the discontinuance under the Order, and

- (b) only if such Order was not due to any default of the Tenant's Obligations, any negligence or misconduct of the Tenant, any Occupant or any employee, agent, customer, contractor, subcontractor, invitee or licensee of the Tenant or any other person the Tenant is responsible for at law, then the Tenant will be entitled to receive, from the Landlord, a refund of the remaining net book value of the Existing Facilities, Leasehold Improvements or New Facilities then remaining on the Ferry Terminal Properties, with such value being determined by amortizing their original costs on a straight line basis over their respective useful lives, as determined in accordance with Canadian generally accepted accounting principles.

8.3 If, as a result of any Event of Force Majeure, the whole or any part of the Ferry Terminal Properties, the Leasehold Improvements, the Existing Facilities or the New Facilities are destroyed or so damaged that they are unfit for occupancy, then the Tenant will only be obligated to repair or restore the Ferry Terminal Properties to a condition that reasonably allows the Tenant to use the Ferry Terminal Properties in accordance with the provisions of this Lease if the restoration or repairs

- (a) will be, or, as provided in this Lease, should have been, paid by an insurer of the Tenant's, or
- (b) will be paid by the Landlord, the Province or any other third party.

In the event that the Tenant is unable to confirm that such restoration or repairs will be so paid or in the event that the Tenant was not insured or was not required to insure against the Event of Force Majeure that occurred, then the Tenant may terminate this Lease by giving the Landlord written notice of the Tenant's intention to terminate within six (6) months of the destruction or damage having occurred and this Lease shall terminate on the date set out in the notice.

8.4 In the event that the Tenant does not notify the Landlord of the Tenant's intention to terminate this Lease in accordance with the provisions in Paragraph 8.3, the Tenant will forthwith restore or repair so much of the Ferry Terminal Properties, the Leasehold Improvements, the Existing Facilities and the New Facilities in order for the Tenant to use the Ferry Terminal Properties in accordance with the provisions of this Lease but without hindrance to the Tenant's ability to remove, demolish or redesign as many of the improvements or other structures located on the Ferry Terminal Properties as it determines appropriate for its operations provided it does so in compliance with the provisions in Paragraphs 20.1 to 20.4 .

9. AGREEMENTS WITH THIRD PARTIES

- 9.1 The Landlord agrees not to grant any licenses, rights of way, easements or any other privileges granting an interest in or access to the Ferry Terminal Properties or any part thereof to any other person or entity without the prior written consent of the Tenant, which consent may not be unreasonably withheld. The parties agree that it is reasonable for the Tenant to withhold such consent where the granting of such consent would have a material impact on the Tenant's provision of ferry and related services in accordance with the provisions of the Coastal Ferry Services Contract and *Coastal Ferry Act*, whether existing or part of the Tenant's future plans.
- 9.2 Notwithstanding the provisions of Paragraph 9.1 and subject to the Tenant's obligations as set out in Paragraph 9.4, the Landlord and the Tenant agree to respect and abide by the Existing Landlord Agreements described in Schedule "2". The Landlord may, at any time during the first ten (10) years of the Term, advise the Tenant of additional or of terminated Existing Landlord Agreements, in which case the parties agree that the Landlord will amend Schedule "2" accordingly to include or remove, as the case may be, such additional Existing Landlord Agreements. The Landlord acknowledges and agrees that its right to amend Schedule "2" does not include the right to revise any Existing Landlord Agreements on or after the Commencement Date.
- 9.3 The Landlord and the Tenant agree to respect and abide by the Existing Tenant Agreements described in Schedule "3" and the Landlord further agrees that, in the event that this Lease is terminated or expires, the Landlord will, subject only to the consent of the third party if required, assume responsibility for all of the Tenant's rights and obligations under such Existing Tenant Agreements. The Tenant may, within the first ten (10) years of the Term, advise the Landlord of all additional or of terminated Existing Tenant Agreements, in which case the parties agree that the Landlord will amend Schedule "3" accordingly to include or remove, as the case may be, such additional Existing Tenant Agreements. The Tenant acknowledges and agrees that its right to amend Schedule "3" does not include the right to revise any Existing Tenant Agreements on or after the Commencement Date unless such revisions comply with the requirements for Development Agreements set out in Paragraph 9.4.
- 9.4 The Landlord agrees that the Tenant may, without the prior consent of the Landlord unless otherwise provided herein and as a result of its development of the Ferry Terminal Properties, enter into Development Agreements solely for any use or purpose permitted under Paragraph 20.1; however, the Tenant agrees to provide the Landlord with a true copy of each Development Agreement and all amendments thereto within ten (10) days of the Landlord's request for the same from time to time. Notwithstanding the foregoing, if any such Development Agreement is expected to:
- (a) extend beyond the expiry of the Term,

- (b) reduce the number of vehicles capable of being held within any existing holding compound on the Ferry Terminal Properties by more than ten percent (10%);
- (c) be contrary to any provision in this Lease, any Existing Landlord Agreement, any Existing Tenant Agreement or the Coastal Ferry Services Contract; or
- (d) affect the integrity of, efficient functioning of, capacity of or safe public passage on, any highway adjacent to the Ferry Terminal Properties or any part thereof;

then the Tenant will not enter into, or agree to enter into, such Development Agreement unless the Tenant has obtained the Landlord's prior written consent to the same and the Tenant will comply with all terms and conditions which the Landlord may advise the Tenant of in connection with any consent to any such Development Agreement. In the event that a Development Agreement is expected to extend beyond the expiry of the Term, the Landlord may, in its sole discretion, require that the terms of the Development Agreement be satisfactory to the Landlord, who shall then also be made a party to it.

- 9.5 The parties acknowledge that the Tenant or any of its predecessors may have entered into agreements with third parties granting rights of access, an interest in or other rights over lands adjacent to or near the Ferry Terminal Properties which are required for the Tenant's use of the Ferry Terminal Properties as described in Paragraph 20.1. The Tenant covenants and agrees with the Landlord to use the Tenant's reasonable efforts to provide the Landlord with true copies of all of such agreements, if any, as soon as possible after the Commencement Date.
- 9.6 The parties acknowledge that the Landlord may have entered into agreements with third parties granting rights of access, an interest in or other rights over lands adjacent to or near the Ferry Terminal Properties which are required for the Tenant's use of the Ferry Terminal Properties as described in Paragraph 20.1. The Landlord covenants and agrees with the Tenant to use the Landlord's reasonable efforts to provide the Tenant with true copies of all of such agreements, if any, as soon as possible after the Commencement Date.
- 9.7 On the expiry of the Term or of any Renewal Term, or on any termination of this Lease, the Tenant agrees to deliver to the Landlord a copy of any agreements relating to lands, water or improvements outside of the Ferry Terminal Properties and made between the Tenant and a third party that are essential or necessarily incidental to the operation of the BC Ferry System from the Ferry Terminal Properties in accordance with the provisions of the Coastal Ferry Services Contract. In the event that this Lease is terminated or expires, the Landlord agrees that it will, subject only to the consent of the third party if required, assume responsibility for all of the Tenant's rights and obligations under such agreements.

10. OWNERSHIP OF FACILITIES

- 10.1 Except as otherwise provided for herein, the parties agree that, during the Term, or any Renewal Term, or from the Commencement Date to such earlier termination date if this Lease is terminated for any reason, the Existing Facilities, New Facilities and Leasehold Improvements are and will be the separate property of the Tenant and not of the Landlord. Notwithstanding that Existing Facilities and some of the Leasehold Improvements are, as at the Commencement Date, attached to the Ferry Terminal Properties, the Landlord acknowledges that, by executing this Lease, the Tenant is the owner of the Existing Facilities and such Leasehold Improvements together with all rights, interests, obligations and liabilities in connection with, arising from or related to the Existing Facilities.

11. SURRENDER ON TERMINATION

- 11.1 Except as otherwise provided herein, the Tenant agrees that it will, on the expiry of the Term, or any Renewal Term, or any earlier termination of this Lease, surrender to the Landlord vacant possession of the Ferry Terminal Properties, and all Leasehold Improvements, Existing Facilities and New Facilities then in existence in a state of good order, condition and repair, free and clear of any encumbrance of any kind including any Occupant Agreement, Development Agreement or Security Interest, other than the Existing Landlord Agreements, the Existing Tenant Agreements and the Development Agreements consented to by the Landlord in writing in accordance with Paragraph 9.4 .
- 11.2 Subject to the provisions of Paragraph 8.2(b), on the expiry of the Term, any Renewal Term or any earlier termination of this Lease, all Leasehold Improvements, Existing Facilities and New Facilities then in existence will become the absolute property of the Landlord without any payment being made therefor and free and clear of all mortgages, charges and encumbrances of any kind, other than the Existing Landlord Agreements, the Existing Tenant Agreements and the Development Agreements consented to by the Landlord in writing in accordance with Paragraph 9.4 .
- 11.3 Within ten (10) days of the expiry of the Term, any Renewal Term or any earlier termination of this Lease, the Tenant will deliver to the Landlord as-built drawings of all Leasehold Improvements, Existing Facilities and New Facilities which may exist at that time and may remove from the Ferry Terminal Properties:
- (a) any trade fixtures normally removable by tenants;
 - (b) all goods, chattels, supplies, articles, equipment, materials, effects or other moveable items;

and will repair and restore, on or before the expiry of the Term, any Renewal Term or any earlier termination of this Lease, any damage occasioned to the Ferry Terminal Properties

and remaining Leasehold Improvements, Existing Facilities or New Facilities resulting from such removal.

- 11.4 If the Tenant fails to remove any of the items that it is entitled or required to remove under Paragraph 11.3 on the expiry of the Term, any Renewal Term, or any earlier termination of this Lease, then the Landlord may, at its sole discretion, either take title to same, free and clear from all claims of any kind whatsoever, or remove same and repair any damage resulting from such removal in which case the Tenant will pay to the Landlord, on demand, all costs incurred by the Landlord as a result of such removal, repair and storage.

12. OVERHOLDING

- 12.1 If the Tenant remains in possession of all or part of the Ferry Terminal Properties after the expiry of the Term, or Renewal Term, if any, whether with or without the consent of the Landlord, and without executing and delivering a new lease, there will be no renewal or extension of this Lease or the Term. In this event, the Tenant will be deemed to be occupying the Ferry Terminal Properties as a monthly tenant, on the same terms as set forth in this Lease insofar as they are applicable to a monthly tenancy, except that monthly basic rent will be the then fair market value rent as determined by the Landlord acting reasonably, and the monthly tenancy can be terminated by either party upon thirty (30) days prior written notice to the other party.

13. BASIC RENT AND RENEWAL RENT

- 13.1 Basic Rent for the Ferry Terminal Properties will be the sum of Four Million, Six Hundred and Seventy-nine Thousand Dollars (\$4,679,000.00) for the Term.
- 13.2 The Tenant agrees that it will prepay the Basic Rent at the Commencement Date, without abatement. The Landlord agrees that the Tenant may pay the Basic Rent by providing the Landlord with a signed, interest-free, demand promissory note in favour of the Landlord for the total amount of the prepaid Basic Rent, or by set-off only against any monies owing by the Landlord to the Tenant under section 3.3 of the Master Agreement.
- 13.3 Renewal Rent for the Ferry Terminal Properties will be the sum of Twenty Dollars (\$20.00) for the Renewal Term, being a yearly rent of One Dollar (\$1.00) for each year of the Renewal Term.
- 13.4 The Tenant agrees that it will prepay the Renewal Rent at the commencement of the Renewal Term, without abatement.

14. ADDITIONAL RENT

- 14.1 The Tenant agrees to pay the Landlord, as Additional Rent, during the Term and any Renewal Term, any sums of money as set out in this Lease that may be or become owing to the Landlord from time to time, other than Basic Rent and Additional Rent.
- 14.2 If and so often as any Additional Rent is not paid when due, the Landlord has the same rights and remedies and may take the same steps for its recovery as for the recovery of Rent in arrears.
- 14.3 Subject to Paragraph 13.2, the Tenant covenants and agrees to pay all monies payable under this Lease to the Landlord, or as the Landlord may direct in writing, in lawful money of Canada, without any set off, compensation or deduction whatsoever on the days and at the times specified in this Lease.
- 14.4 If the Tenant fails to pay any Basic Rent or Additional Rent payable by the Tenant to the Landlord under this Lease promptly when due, then the Tenant will pay to the Landlord interest on any unpaid Basic Rent and Additional Rent at a rate equal to equal to 6% per annum above the then applicable prime rate established from time to time by the Landlord's bank from the date on which such Basic Rent and Additional Rent was due until actual receipt of payment of the unpaid Basic Rent, Additional Rent and the interest due hereunder.

15. TAXES PAYABLE BY TENANT

- 15.1 The Tenant agrees that it will promptly pay or cause to be paid when due:
- (a) any Taxes;
 - (b) any tax, rate, duty, assessment and fees with respect to any Leasehold Improvements, Existing Facilities, New Facilities, personal property and facilities on the Ferry Terminal Properties or any part thereof;

- 33.2 At all times during the Term or any Renewal Term, the Tenant will, at its own expense, ensure that there is full workers' compensation coverage in respect of all workmen, employees, servants and others engaged in or on any work, non-payment of which may create a lien on the Ferry Terminal Properties or any part thereof. The Tenant will immediately notify the Landlord in writing of any dispute involving third parties which may arise in connection with obtaining and maintaining the workers' compensation coverage required under this Paragraph if such dispute results in the requisite coverage not being in place, and the Tenant will take all reasonable steps to ensure the resolution of such dispute forthwith. In the event that the Tenant wishes to grant rights to a third party that do exceed those granted to the Tenant by this Lease, the Tenant must obtain the prior written consent of the Landlord, which consent may, in the Landlord's sole and absolute discretion, be withheld without having to give any reason.
- 34.2 The Tenant will provide the Landlord with either the names and addresses of any third parties to, or true copies of, any Occupant Agreement or Security Interest within ten (10) days of the Landlord's request for the same from time to time.

 - (b) without limiting the rights of the Province described in section 2.04(b) of the Coastal Ferry Services Contract, the Landlord will not exercise the rights and remedies that it may have under Paragraph 35.2 of this Lease, at law or in equity for so long as the mortgagee or trustee and its receiver comply with the provisions of this Lease, the Coastal Ferry Services Contract and the *Coastal Ferry Act*, however, in the event of their failure to do so, the Landlord may proceed with the exercise of its rights and remedies.
- 34.5 Notwithstanding any Occupant Agreement, Security Interest, Development Agreement, or Transfer or Assignment Agreement, or any consent of the Landlord thereto, but subject only to the rights of mortgagees or trustees under any acknowledgement agreement made pursuant to Paragraph 34.4, the Tenant will remain bound to the Landlord for the fulfillment of all of the terms, covenants, agreements or conditions contained in this Lease for the entire Term and any Renewal Term.
- 34.6 The Tenant agrees that it will not enter into a Transfer or Assignment Agreement without the prior consent of the Landlord, which consent may not be unreasonably withheld. The Landlord acknowledges and agrees that the conversion of the Tenant to a company, as more specifically described in Paragraph 3.9, neither constitutes a Transfer or Assignment nor requires the prior consent of the Landlord.
- 34.7 The rights of the Landlord under this Lease may be transferred or assigned to the Crown, any agent of the Crown or any Crown corporation and in the event of such transfer or assignment, the Tenant agrees to become the Tenant of such transferee or assignee under the terms of this Lease and to the extent that the transferee or assignee has assumed the covenants and obligations of the Landlord under this Lease, then the Landlord will, without further written agreement, be freed and relieved of all liability on such covenants and obligations. - (a) such failure continues for a period of thirty (30) business days after written notice thereof has been given by the Landlord to the Tenant; or
- (b) if any such failure because of its nature would reasonably require more than thirty (30) business days to rectify, the Tenant has not commenced rectification within the thirty (30) day notice period and, thereafter, promptly, effectively and continuously proceeds with the rectification of the failure;

then and in every such case, it will be lawful for the Landlord at any time thereafter to enter into and on the Ferry Terminal Properties or any part thereof in the name of the whole and the Landlord to have again, repossess and enjoy as of its former estate, notwithstanding anything to the contrary in this Lease. Whenever the Landlord is entitled to re-enter the Ferry Terminal Properties, it may, at its option and without limiting its other rights and remedies, terminate this Lease in which case all prepaid Rent will remain the property of the Landlord and the provisions in Paragraph 11 will apply.

35.2 Subject to the provisions of the Coastal Ferry Services Contract and to any acknowledgement agreement made in accordance with the provisions of Paragraph 34.4, upon the occurrence of an "Event of Default" as that term is defined under the provisions of the Coastal Ferry Services Contract, by the Tenant, this Lease will, at the sole option of the Landlord, cease and determine at which time the Term will immediately become forfeited and void and the Landlord may

- (a) immediately claim Rent together with any arrears then unpaid and any other amounts owing to the Landlord by the Tenant under this Lease; and
- (b) without notice or any form of legal process, forthwith re-enter on and take possession of the Ferry Terminal Properties and remove the Tenant's effects therefrom;

without prejudice to, and under reserve of, all other rights, remedies and recourses of the Landlord.

35.3 If at any time an action is brought for recovery of possession of the Ferry Terminal Properties, for the recovery of Rent or any other amount due under this Lease, or because of a breach by act or omission of any Tenant's Obligations, the Tenant will pay to the Landlord all costs and expenses incurred by the Landlord in obtaining professional advice regarding the same and in the exercise or enforcement of its rights and remedies under this Lease, including legal costs on a solicitor and own client basis.

- 35.4 If, at any time and so often as it happens, the Tenant fails to keep, perform or observe any of the Tenant's Obligations, then the Landlord may, but is not obligated so to do, without waiving or releasing the Tenant from the Tenant's obligations, itself observe and perform the Tenant's Obligations in respect of which the Tenant has made default or make payment of the moneys the Tenant has failed to pay; and the Tenant will promptly pay all costs and expenses reasonably incurred by the Landlord, excluding the costs of any salary, wages and benefits payable by the Landlord to any of its employees but including legal costs as between solicitor and own client, in the observance or performance of such Tenant's Obligations.
- 35.5 Any money paid by the Landlord as provided in Paragraph 35.4 will, be payable by the Tenant to the Landlord and the Tenant covenants to pay the Landlord forthwith on demand, with interest accruing on that money from the date of demand at a rate equal to 6% per annum above the prime rate established from time to time by the Landlord's bank, and all money payable under this Paragraph will be treated as Rent due and payable to the Landlord under this Lease and the Landlord will have the same rights and remedies and may take the same steps for their recovery as for the recovery of Rent in arrears.
- 35.6 Except as otherwise provided in this Lease, all rights and remedies of the Landlord in this Lease contained will be cumulative and not alternative and will be in addition to all rights and remedies available to the Landlord at law, in equity or otherwise.

38. FORCE MAJEURE

- 38.1 No party will be liable to another for any delay, interruption or failure in the performance of their respective obligations under this Lease if caused by an Event of Force Majeure, in which case the time period for the performance or completion of any such obligation will be automatically extended for the duration of such Event of Force Majeure.

When and so often as such addition or deletion is made pursuant to this Paragraph, the reference in this Lease to "Ferry Terminal Properties" will mean and refer to the lands after such deletion or addition.

5.
