

# Alliford Bay & Skidegate Terminal Development Planning

## PUBLIC ENGAGEMENT SUMMARY

FEBRUARY 2018

### Terminal Development Planning Process

In March 2017, BC Ferries launched the Terminal Development planning process for the Alliford Bay and Skidegate Terminals – a planning initiative that will result in the phased implementation of strategies, actions and projects over a 25 year horizon.

### Community Input

**Your voice is important to us.** As community input is an essential part of the Terminal Development planning process, BC Ferries held public engagement events on November 1, 2017 on Moresby Island and on Graham Island designed to educate and start a conversation with the residents of both communities.

The November engagement event focused on:

**HOW** the community gets to and from the terminals

**WHY** the terminal is important to the community

**WHAT** challenges does the community face today when using BC Ferries

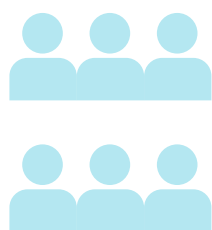

**WHAT** opportunities exist to improve the terminal

### What's Next

The community feedback collected will be used to inform the Alliford Bay and Skidegate Terminal Development Plans.

Terminal Development Plans will enable BC Ferries to develop the terminals in a cost effective, organized, phased and efficient way.

Members of the community participated in the engagement process by...

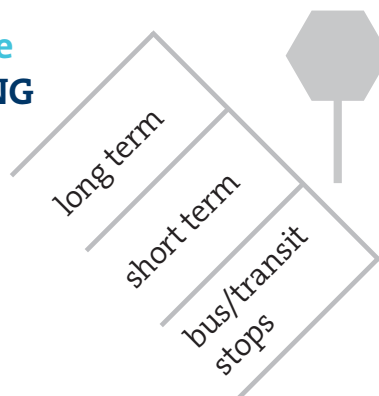

attending the engagement event, interacting via email, or completing surveys (online and at event)

### Top 2 Comments\*

→ **Improve PEDESTRIAN ACCESSIBILITY** (pick up/drop off, foot passenger safety)

→ **Improve PARKING**

### EVENTS

Skidegate Public Open House (15+ attendees)  
November 1, 2017 4pm-7pm held at Village of Queen Charlotte Community Hall and an Online Survey posted on the BC Ferries website (from October–November, 2017)

Alliford Bay Public Open House (25+ attendees)  
November 1, 2017 4pm-7pm held at Sandspit Community Hall and an Online Survey posted on the BC Ferries website (from October–November, 2017)

\* At the engagement events, we also heard from the community the desire to see increased ferry service between Skidegate and Alliford Bay. This feedback has been shared with our operations team.

YOUR INPUT IS IMPORTANT TO US AND WILL HELP SHAPE OUR FUTURE PLANS.
