

Request under the *Freedom of Information and Protection of Privacy Act*:

The total number of passengers that travelled on BC Ferries under the provincial Transportation Assistance Program (TAP) for each fiscal year ending 2015 through 2019.

Response:

The Travel Assistance Program (TAP) is a corporate partnership between the Ministry of Health and private transportation carriers for medical travel assistance for eligible British Columbia residents as defined by the Province of British Columbia.

The total number of trips taken on BC Ferries under British Columbia's TAP is as follows.

Year	Trips Under TAP
F2015	399,491
F2016	412,169
F2017	417,016
F2018	428,309
F2019	416,475

Additional information on British Columbia's TAP can be found on the Province's website:
