**Re: Request under the *Freedom of Information and Protection of Privacy Act***

British Columbia Ferry Services Inc. (BC Ferries) received your request for access to records under the *Freedom of Information and Protection of Privacy Act* (the FOIPP Act) on May 1, 2019. Your request was as follows:

*"I'm trying to determine which sailings of the Vesuvius/Crofton and Fulford/Schwartz Bay ferry routes typically experience an overload and result in a sailing wait for vehicles. I would like to know the sailing times and dates where overload was experienced on these routes (in both directions) in 2018."*

Attached please find the record BC Ferries produced in response to your request. We have not charged a fee for these records.

The column labelled "Sched Dept T's" gives the scheduled date and time of the sailings that had one or more vehicle(s) recorded as overloaded. Each line in the report is a sailing that left at least one vehicle behind. An overloaded vehicle is one that was left behind when the vessel departed the terminal.

If you have any questions, please write or call our office at (250) 978-1502.

Sincerely,
