

If your baggage is damaged, or delayed or lost for more than 5 days, and you wish to make a claim with BC Ferries, you need to complete the Notice of Baggage form below.

Important information you need to read before you complete the form:

- In most cases, you are required to send the form to BC Ferries within 7 days of the incident.
- Reports made at a terminal or onboard a vessel is only an incident report, and will not be accepted as a notice of claim.
- Provide a complete description of your lost items, including the baggage the items were in. An unclear or incomplete description will hamper the tracing and could hinder your settlement.
- We may require you to provide receipts including ferry receipts, and receipts for claims over \$100.
- If it's suspected or confirmed your baggage was stolen, you will need the Police to file a report and include the details in this form.

Finding your baggage is important to us and we sincerely hope that our combined efforts will result in the prompt return of your missing property. After we receive your claim, we will investigate and get back to you within 1 to 2 weeks to discuss the status of your claim.
