

# An Update from BC Ferries

Dear Haida Gwaii Ferry Travellers,

We have taken your feedback about what's important for the future of the Skidegate terminal and have now developed draft Terminal Development plan concepts for your review. Your input is important to us and will help shape our future plans.

Please review the draft concepts that we have posted on the Skidegate webpage at [bcferries.com/about/terminal-development-planning](http://bcferries.com/about/terminal-development-planning) and take part in our short survey to let us know what you think about the options. The online engagement will take place from now until October 5.

We look forward to hearing your ideas about future improvements we can make at the Skidegate terminal that will enhance your travel experience with us.

After we present the draft concepts and review your feedback, we will finalize the preferred design, finalize the Terminal Development Plan and share the plans with you. We expect this to take place in early 2019.

If you have any questions about the process, or what lies ahead, please don't hesitate to contact me directly at [brian.green@bcferries.com](mailto:brian.green@bcferries.com).

Thanks for reading,

Brian Green
