# Notice of revised sailing schedules.

## Village Bay and Otter Bay terminal projects

As part of BC Ferries' ongoing commitment to safe, reliable, and efficient ferry service, we are making necessary upgrades to aging infrastructure at Village Bay and Otter Bay terminals. These improvements will help extend the life of the terminals, improve operational efficiency, and support the future needs of the communities we serve.

Construction at both terminals through early March requires adjusted scheduling. **The planned berth closure at Otter Bay from March 6-10th has been delayed until Fall 2026.** Details about the projects and planned alternate service and schedules are available on our website.

BC Ferries is committed to keeping the community informed throughout this project. Thank you in advance for your patience and understanding while we complete this critical infrastructure work.
