3. INTERPRETATION

- 3.1 This Lease will be interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable in the Province of British Columbia.
- 3.2 Where there is a reference to an enactment of the Province of British Columbia or of Canada in this Lease, that reference will include a reference to every amendment to it, every regulation made under it and any subsequent enactment of like effect. Unless otherwise indicated, all enactments referred to in this Lease are enactments of the Province of British Columbia.
- 3.3 The headings in this Lease are for reference purposes only and are not to be relied upon for purposes of interpretation.
- 3.4 Wherever the masculine, feminine, body corporate, singular or plural is used in this Lease, the parties agree to substitute feminine, masculine, individual, plural or singular where the context so requires. This principle applies to all words in this Lease, including defined terms.
- 3.5 Each obligation or agreement contained in this Lease is to be construed as and considered for all purposes as a covenant.
- 3.6 If any part of this Lease is found to be illegal or unenforceable, that part will be considered separate and severable and the remainder of this Lease will remain binding and enforceable insofar as is required to give effect to the intent of the parties as evidenced by this Lease.
- 3.7 The words "including," "include" or other variations thereof, when following any general statement, term or matter is not to be construed to limit such general statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters whether or not nonlimiting language (such as "without limitation" or "but not limited to" or words of similar import) is used with reference thereto, but rather such general statement, term or matter is to be construed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter.
- 3.8 Any reference in this Lease to a designated "Paragraph," "Schedule" or any other subdivision is a reference to the designated Paragraph, Schedule or other subdivision of this Lease unless the context requires otherwise.

4. TIME OF THE ESSENCE

- 4.1 Time is of the essence in this Lease.

5. NET LEASE

- 5.1 Subject to the limits on the financial obligations of the Tenant as expressly set out in this Lease, the Tenant acknowledges and agrees that this Lease is intended to be a completely carefree absolutely net lease to the Landlord and that the Landlord will not be responsible for any costs, charges, expenses or outlays of any nature or kind whatsoever arising from or relating to this Lease or any matters contemplated in this Lease, the Tenant, any Occupant, the Klemtu Terminal Property, Leasehold Improvements, Existing Facilities or New Facilities, including the use, repair,

maintenance, development, management, lease or operation of same, or any part thereof, and the Tenant covenants with the Landlord to pay promptly all of such costs, charges, expenses or outlays.

6. DEMISE AND TERM

- 6.1 Subject to the terms of this Lease and the rights of the parties as set out herein, the Landlord demises and leases to the Tenant the Klemtu Terminal Property from 12:01 a.m. on the Commencement Date for and during the Term, which will end at midnight on April 30, 2036, subject only to any earlier termination hereunder of this Lease in accordance with the terms and conditions set forth in Paragraph 7.

7. RIGHT TO TERMINATE AND EXPIRY

- 7.1 In the event that the Tenant wishes to discontinue the Designated Ferry Routes (as defined in the Coastal Ferry Services Contract), operating to or from the Klemtu Terminal Property, the Tenant must first:

- (a) provide the Landlord with written notice, at least two (2) years in advance of the date upon which the Tenant will discontinue the Designated Ferry Routes to or from the Klemtu Terminal Property; and
- (b) have duly complied with all of the Tenant's Obligations and its obligations as set out in the Coastal Ferry Services Contract;

and in such event the Lease will terminate on the date specified by the Tenant in its notice given under Paragraph 7.1 and the Tenant will not be entitled to a rebate or refund of any prepaid Rent.

- 7.2 If the British Columbia Ferries Commissioner appointed under the *Coastal Ferry Act* or any other person of Competent Authority issues an Order authorizing the Tenant to discontinue all Designated Ferry Routes to or from the Klemtu Terminal Property, then the Tenant will deliver to the Landlord a true copy of such Order within five (5) days of the Tenant's receipt thereof and this Lease will terminate on the effective date of the discontinuance under the Order.

- 7.3 If, as a result of any Event of Force Majeure, the whole or any part of the Klemtu Terminal Property, the Leasehold Improvements, the Existing Facilities or the New Facilities are destroyed or so damaged that they are unfit for occupancy, then the Tenant will only be obligated to repair or restore the Klemtu Terminal Property to a condition that reasonably allows the Tenant to use the Klemtu Terminal Property in accordance with the provisions of this Lease if the restoration or repairs

- (a) will be, or, as provided in this Lease, should have been, paid by an insurer of the Tenant's, or
- (b) will be paid by the Landlord, the Province or any other third party.

In the event that the Tenant is unable to confirm that such restoration or repairs will be so paid or in the event that the Tenant was not insured or was not required to insure against the Event of Force Majeure that occurred, then the Tenant may terminate this Lease by giving the Landlord written notice of the Tenant's intention to terminate within six (6) months of the destruction or damage having occurred and this Lease will terminate on the date set out in the notice.

- 7.4 In the event that the Tenant does not notify the Landlord of the Tenant's intention to terminate this Lease in accordance with the provisions in Paragraph 7.3, the Tenant will forthwith restore or repair so much of the Klemtu Terminal Property, the Leasehold Improvements, the Existing Facilities and the New Facilities in order for the Tenant to use the Klemtu Terminal Property in accordance with the provisions of this Lease but without hindrance to the Tenant's ability to remove, demolish or redesign as many of the improvements or other structures located on the Klemtu Terminal Property as it determines appropriate for its operations provided it does so in compliance with the provisions in Paragraphs 19.1 to 19.4.
- 7.5 In the event if such Order in Paragraph 7.2 was not due to any default of the Tenant's obligations, any negligence or misconduct of the Tenant, any Occupant or any employee, agent, customer, contractor, invitee or licensee of the Tenant or any other person for whom the Tenant is responsible for at law, or upon the expiry of the Term by the effluxion of time, then the Tenant will be entitled to receive, from the Landlord, a refund of the remaining net book value of the Leasehold Improvements and New Facilities then remaining on the Klemtu Terminal Property, with such value being determined by amortizing their original costs on a straight line basis over their respective useful lives, as determined in accordance with Canadian generally accepted accounting principles or as determined in accordance with International Financial Reporting Standards, whichever is applicable to the Tenant.

8. AGREEMENTS WITH THIRD PARTIES

- 8.1 The Landlord agrees not to grant any licenses, rights of way, easements or any other privileges granting an interest in or access to the Klemtu Terminal Property or any part thereof to any other person or entity without the prior written consent of the Tenant, which consent may not be unreasonably withheld. The parties agree that it is reasonable for the Tenant to withhold such consent where the granting of such consent would have a material impact on the Tenant's provision of ferry and related services in accordance with the provisions of the Coastal Ferry Services Contract and *Coastal Ferry Act*, whether existing or part of the Tenant's future plans.
- 8.2 Notwithstanding the provisions of Paragraph 8.1 and subject to the Tenant's obligations as set out in Paragraph 8.3, the Landlord and the Tenant agree to respect and abide by the Existing Landlord Agreements described in Schedule 2. The Landlord may, at any time during the first ten (10) years of the Term, advise the Tenant of additional or of terminated Existing Landlord Agreements, in which case the parties agree that the Landlord will amend Schedule 2 accordingly to include or remove, as the case may be, such additional Existing Landlord Agreements. The Landlord acknowledges and agrees that its right to amend Schedule 2 does not include the right to revise any Existing Landlord Agreements on or after the Commencement Date.
- 8.3 The Landlord agrees that the Tenant may, without the prior consent of the Landlord unless otherwise provided herein and as a result of its development of the Klemtu Terminal Property, enter into Development Agreements solely for any use or purpose permitted under Paragraph 19.1; however, the Tenant agrees to provide the Landlord with a true copy of each Development Agreement and all amendments thereto within ten (10) days of the Landlord's request for the same from time to time. Notwithstanding the foregoing, if any such Development Agreement is expected to:
- (a) extend beyond the expiry of the Term,

- (b) reduce the number of vehicles capable of being held within any existing holding compound on the Klemtu Terminal Property by more than ten percent (10%);
- (c) be contrary to any provision in this Lease, any Existing Landlord Agreement, any Existing Tenant Agreement or the Coastal Ferry Services Contract; or
- (d) affect the integrity of, efficient functioning of, capacity of or safe public passage on, any highway adjacent to the Klemtu Terminal Property or any part thereof;

then the Tenant will not enter into, or agree to enter into, such Development Agreement unless the Tenant has obtained the Landlord's prior written consent to the same and the Tenant will comply with all terms and conditions which the Landlord may advise the Tenant of in connection with any consent to any such Development Agreement. In the event that a Development Agreement is expected to extend beyond the expiry of the Term, the Landlord may, in its sole discretion, require that the terms of the Development Agreement be satisfactory to the Landlord, who will then also be made a party to it.

- 8.4 The parties acknowledge that the Landlord may have entered into agreements with third parties granting rights of access, an interest in or other rights over lands adjacent to or near the Klemtu Terminal Property which are required for the Tenant's use of the Klemtu Terminal Property as described in Paragraph 8.1 The Landlord covenants and agrees with the Tenant to use the Landlord's reasonable efforts to provide the Tenant with true copies of all of such agreements, if any, as soon as possible after the Commencement Date.
- 8.5 On the expiry of the Term or on any termination of this Lease, the Tenant agrees to deliver to the Landlord a copy of any agreements relating to lands, water or improvements outside of the Klemtu Terminal Property and made between the Tenant and a third party that are essential or necessarily incidental to the operation of the BC Ferry System from the Klemtu Terminal Property in accordance with the provisions of the Coastal Ferry Services Contract. In the event that this Lease is terminated or expires, the Landlord agrees that it will, subject only to the consent of the third party if required, assume responsibility for all of the Tenant's rights and obligations under such agreements.

9. OWNERSHIP OF FACILITIES

Except as otherwise provided for herein, the parties agree that, during the Term, or from the Commencement Date to such earlier termination date if this Lease is terminated for any reason, the New Facilities and any Leasehold Improvements which from time to time are made, constructed, erected or installed by, for or on behalf of the Tenant or any Occupant of the Klemtu Terminal Property or any part thereof are and will be the separate property of the Tenant and not of the Landlord.

10. SURRENDER ON TERMINATION

- 10.1 Except as otherwise provided herein, the Tenant agrees that it will, on the expiry of the Term, or any earlier termination of this Lease, surrender to the Landlord vacant possession of the Klemtu Terminal Property, and all Leasehold Improvements, Existing Facilities and New Facilities then in existence in a state of good order, condition and repair, free and clear of any encumbrance of any kind including any Occupant Agreement, Development Agreement or Security Interest other than the Existing

Landlord Agreements and the Development Agreements consented to by the Landlord in writing in accordance with Paragraph 8.4.

- 10.2 Subject to the provisions of Paragraph 7.5, the expiry of the Term, or any earlier termination of this Lease, all Leasehold Improvements, Existing Facilities and New Facilities then in existence will become the absolute property of the Landlord without any payment being made therefore and free and clear of all mortgages, charges and encumbrances of any kind, other than the Existing Landlord Agreements, the Existing Tenant Agreements and the Development Agreements consented to by the Landlord in writing in accordance with Paragraph 8.3.
- 10.3 Within ten (10) days of the expiry of the Term, or any earlier termination of this Lease, the Tenant will deliver to the Landlord as-built drawings of all Leasehold Improvements, Existing Facilities and New Facilities which may exist at that time and may remove from the Klemtu Terminal Property:
- (a) any trade fixtures normally removable by tenants;
 - (b) all goods, chattels, supplies, articles, equipment, materials, effects or other moveable items;
- and will repair and restore, on or before the expiry of the Term, or any earlier termination of this Lease, any damage occasioned to the Klemtu Terminal Property and remaining Leasehold Improvements, Existing Facilities or New Facilities resulting from such removal.
- 10.4 If the Tenant fails to remove any of the items that it is entitled or required to remove under Paragraph 10.3 on the expiry of the Term, or any earlier termination of this Lease, then the Landlord may, at its sole discretion, either take title to same, free and clear from all claims of any kind whatsoever, or remove same and repair any damage resulting from such removal in which case the Tenant will pay to the Landlord, on demand, all costs incurred by the Landlord as a result of such removal, repair and storage.
- 10.5 The Tenant shall conduct at its cost any Environmental Tests required by the Landlord, acting reasonably, at the end of the Term to confirm that the Klemtu Terminal Property is not contaminated by the Tenant's operations or that any Hazardous Substances identified in previous Environmental Tests, if any, for which the Tenant is responsible for under this Lease have been remediated to the reasonable satisfaction of the Landlord. If the Tenant has been required to remediate Hazardous Substances on the Klemtu Terminal Property, the Landlord may require that the Tenant conduct at its sole expense, a series of Environmental Tests at such intervals following the end of the Term, as may be reasonably necessary to confirm that any Remediation of Hazardous Substances has been completed in accordance with the requirements of Paragraph 31 herein, provided that the Tenant shall have no right to the use of the Klemtu Terminal Property for any other purpose following the end of the Term.

11. OVERHOLDING

- 11.1 If the Tenant remains in possession of all or part of the Klemtu Terminal Property after the expiry of the Term, if any, whether with or without the consent of the Landlord, and without executing and delivering a new lease, there will be no renewal or extension of this Lease or the Term. In this event, the Tenant will be deemed to be occupying the Klemtu Terminal Property as a monthly tenant, on the same terms as set forth in this Lease insofar as they are applicable to a monthly tenancy, except that monthly basic rent will be the then fair market value rent as determined by the Landlord acting

reasonably, and the monthly tenancy can be terminated by either party upon thirty (30) days prior written notice to the other party.

12. BASIC RENT

- 12.1 Basic Rent for the Klemtu Terminal Property will be the sum of One Dollar (\$1.00) per annum.
- 12.2 The Tenant agrees that it will prepay the Basic Rent at the Commencement Date, without abatement.

13. ADDITIONAL RENT

- 13.1 The Tenant agrees to pay the Landlord, as Additional Rent, during the Term, any sums of money as set out in this Lease that may be or become owing to the Landlord from time to time pursuant to the terms and conditions of this Lease, other than Basic Rent.
- 13.2 If and so often as any Additional Rent is not paid when due, the Landlord has the same rights and remedies and may take the same steps for its recovery as for the recovery of Rent in arrears.
- 13.3 The Tenant covenants and agrees to pay all monies payable under this Lease to the Landlord, or as the Landlord may direct in writing, in lawful money of Canada, without any set off, compensation or deduction whatsoever on the days and at the times specified in this Lease.
- 13.4 If the Tenant fails to pay any Basic Rent or Additional Rent payable by the Tenant to the Landlord under this Lease promptly when due, then the Tenant will pay to the Landlord interest on any unpaid Basic Rent and Additional Rent at a rate equal to equal to 6% per annum above the then applicable prime rate established from time to time by the Landlord's bank from the date on which such Basic Rent and Additional Rent was due until actual receipt of payment of the unpaid Basic Rent, Additional Rent and the interest due hereunder.

14. TAXES PAYABLE BY TENANT

- 14.1 The Tenant agrees that it will promptly pay or cause to be paid when due:
 - (a) any Taxes;
 - (b) any tax, rate, duty, assessment and fees with respect to any Leasehold Improvements, Existing Facilities, New Facilities, personal property and facilities on the Klemtu Terminal Property or any part thereof;
 - (c) any taxes and licence fees including any penalty, interest or cost imposed against the Tenant or its business or operations with respect to any business or undertaking carried on the Klemtu Terminal Property or any part thereof;
 - (d) any business transfer tax, value added tax, multi-stage sales tax, harmonized sales tax or any other tax relating to the Rent or lease of the Klemtu Terminal Property or any part thereof; and

- (e) any and all other taxes, fees or charges that in any way relate to the Klemtu Terminal Property, Leasehold Improvements, Existing Facilities or New Facilities or any and all uses on the Klemtu Terminal Property.

15. UTILITY CHARGES PAYABLE BY TENANT

- 15.1 The Tenant agrees to pay or cause to be paid the amount of any water, garbage collection, electrical, gas, power, other fuel and any other similar service or utility charges, costs or expense rendered to the Klemtu Terminal Property, or assessed against the Leasehold Improvements, Existing Facilities or New Facilities or any business or undertaking carried on therein and further agrees that the Landlord will not be responsible or liable in any way for payment of any such charges, costs or expenses or for any losses suffered by the Tenant or any person as a result of the Tenant's failure to pay such charges, costs or expenses in a prompt manner.

16. LANDLORD'S RIGHT TO PAY

- 16.1 If the Tenant fails to pay or cause to be paid any Taxes, fees, fines, charges or other monies required to be paid pursuant to this Lease, then the Landlord may, but will not be obliged to, pay the same and the amount paid will be payable by the Tenant on demand and will be recoverable as Additional Rent.

17. TENANT TO PROVE PAYMENT

- 17.1 The Tenant will, upon the request of the Landlord, forthwith provide the Landlord with proof of payment of any matters described in Paragraphs 14 or 15.

18. RIGHT TO APPEAL

- 18.1 Each of the Landlord and the Tenant (provided the Tenant is legally entitled to do so) will have the right to contest in good faith the validity or amount of any Taxes or to appeal any assessment therefore. Notwithstanding anything to the contrary in this Lease, the Tenant may, if it is not then in default under the Tenant's Obligations and on giving the Landlord at least 15 days prior written notice, defer payment of any Taxes to the extent permitted by applicable Laws, provided that no contest by the Tenant will involve the possibility of forfeiture, sale or disturbance of the Landlord's interest in the Klemtu Terminal Property (or any part thereof) or the imposition of any penalty or interest, charge or lien and that, upon the final determination of any contest or appeal by the Tenant, the Tenant will immediately pay and satisfy the amount found to be due, together with any costs, penalties and interest. If as a result of any contest or appeal by the Tenant, any Taxes are increased, the Tenant will be responsible for the full amount of such increase in respect of the period to which the contest relates and to any subsequent tax periods which commence during the Term. If the Tenant contests any amount payable by it under this Paragraph 18.1 or appeals any assessment therefore, the Tenant will:

- (a) deliver to the Landlord any notices of appeal or other similar instrument immediately on the Tenant giving or receiving the same;
- (b) promptly and diligently prosecute the contest or appeal at its sole cost and expense; and

- (c) keep the Landlord fully informed thereof and forthwith provide the Landlord with such information as the Landlord may reasonably request in connection therewith.

19. USE, DEVELOPMENT AND REPAIRS

that there is no partnership, joint venture or principal and agent relationship between the Landlord and the Tenant under this Lease.

41. SURVEYS AND REGISTERED TITLE

- 41.1 The Landlord agrees that legal surveys of the exterior boundaries of the Klemtu Terminal Property where the Landlord and Tenant have agreed to do so, will be completed by the Landlord at its cost as soon as possible and, in any event, no later than three months from the Commencement Date of April 23, 2011 and the parties agree that the description of Klemtu Terminal Property in Schedule 1 will be amended accordingly. If the Klemtu Terminal Property is not registered at the appropriate land title office as at six months from the Commencement Date, the Landlord will, at its cost, cause it to be so registered.
- 41.2 Nothing in this Lease will be construed so as to prevent or restrict the parties from agreeing to alter the boundaries of the Klemtu Terminal Property in accordance with the *Coastal Ferry Act* by deleting portions of the Klemtu Terminal Property or adding other adjacent lands in order to correct any lands or water lot areas which were incorrect descriptions of any of the Klemtu Terminal Property in Schedule 1. When and so often as such addition or deletion is made pursuant to this Paragraph, the reference in this Lease to "Klemtu Terminal Property" will mean and refer to the lands after such deletion or addition.

42. REGISTRATION OF LEASE

- 42.1 The Tenant may, at its own expense, take any steps required to register this Lease although, upon the expiry of the Term or any earlier termination of this Lease, the Tenant will forthwith, at its own expense, remove and discharge any such registration, and provide the Landlord with a copy of such discharge with registration particulars thereon, and an updated title search, if available, of the Klemtu Terminal Property evidencing registration of such discharge.

43. QUIET ENJOYMENT

- 43.1 Subject to Paragraph 43.2, for so long as the Tenant pays all monies owing under this Lease and complies with all the Tenant's Obligations, the Landlord agrees that the Tenant will be entitled to quiet enjoyment of the Klemtu Terminal Property, without interruption or hindrance by the Landlord or by anyone acting on behalf of the Landlord.
- 43.2 Notwithstanding Paragraph 43.1, the Tenant grants, for a term effective as of the Commencement Date to October 31, 2011, to the Landlord, its construction contractors, subcontractors and respective employees, agents and invitees rights of access for the purpose of completing the construction of the Klemtu Terminal Property's Existing Facilities and all required paving works (the "Purpose") including, without limiting the generality of the foregoing, rights to:
- (a) enter over, upon and through Klemtu Terminal Property, by foot or motor vehicle, for the Purpose;
 - (b) bring onto Klemtu Terminal Property all materials, supplies, machinery and equipment that is required for the Purpose; and

(c) do all other acts or things which are in any way incidental to the Purpose.

45. PERFORMANCE

45.1 Each party will, upon the request of the other, do or cause to be done all lawful acts and execute and deliver such documents and assurances necessary for the performance of the provisions of this Lease.

46. CONFIDENTIALITY AND FREEDOM OF INFORMATION

46.1 Each of the Landlord and the Tenant will treat as confidential and will not, without the prior written consent of the other of them, disclose or permit to be disclosed, any information supplied to, obtained by or which comes to the knowledge of the party as a result of this Lease, except insofar as the disclosure is necessary for registration under Paragraph 42.1, to enable the party to fulfill its obligations under this Lease or the Coastal Ferry Services Contract, to their respective legal counsel or as required by Law.

46.2 Any documentation relating to this Lease or the Coastal Ferry Services Contract that is in the custody or under the control of the Landlord or the Tenant is subject to the *Freedom of Information and Protection of Privacy Act*, R.S.B.C. 1996, c. 165.

47. DISPUTE RESOLUTION

47.1 If at any time and so often as a Dispute occurs, then the Landlord and the Tenant will use their commercially reasonable efforts to resolve such Dispute by amicable negotiations and, in this regard, will provide frank, candid and timely disclosure of all relevant facts, information and documents pertaining to any Dispute.

47.2 Either the Landlord or the Tenant may refer any Dispute for resolution to the Landlord's Director, Properties and Land Management Branch, Ministry of Transportation and Infrastructure and to the Tenant's Properties Administrator, Operations Financial Performance. Either party may designate a replacement or equivalent representative by giving the other party prior written notice of such designation.

47.3 If any Dispute is not resolved by the persons in Paragraph 47.2 within one month of such Dispute being referred to them, or such longer time as the Landlord and the Tenant may agree, then either the Landlord or the Tenant may elect in writing to refer the Dispute for resolution to the Landlord's Vice-President (or if not available, then to an Assistant Deputy Minister, Ministry of Transportation and Infrastructure) and to a Vice-President of the Tenant. Either party may designate a replacement or equivalent representative by giving the other party prior written notice of such designation.

47.4 If any Dispute is not resolved by the persons in Paragraph 47.3 within one month of such Dispute being referred to them, or such longer time as the Landlord and the Tenant may agree, then either the Landlord or the Tenant may elect in writing to refer the Dispute for resolution to the Landlord's

President, or if not available, then the Deputy Minister, Ministry of Transportation and Infrastructure (or any replacement or equivalent representative) and to the Tenant's President.

- 47.5 If any Dispute is not resolved by the persons in Paragraph 47.4 within one month of such Dispute being referred to them, or such longer time as the Landlord and the Tenant may agree, then either the Landlord or the Tenant may elect in writing to refer the Dispute to arbitration in accordance with the provisions of the *Commercial Arbitration Act*, R.S.B.C. 1996, c. 55.

48. FIRST NATIONS MATTERS

- 48.1 Subject to Paragraph 48.3, the Province retains its liability, to the extent that any such liability exists, for the acts or omissions of the Province that occurred prior to the Tenant's possession of the Klemtu Terminal Property and, to that extent, the Province agrees to reimburse the Tenant for damages which the Tenant suffers and for payments which the Tenant may be required to make to any First Nation as a result of a determination by a Canadian court of competent jurisdiction, on final appeal, that there has been an unjustifiable infringement of aboriginal rights or title by the Province in connection with the Klemtu Terminal Property.

- 48.2 Subject to Paragraph 48.3, the Province agrees to reimburse the Tenant for:

- (a) a treaty settlement that results in a breach of quiet enjoyment as described in this Lease; and
- (b) damages which the Tenant suffers if a Canadian court of competent jurisdiction, on final appeal, determines that a First Nation has a proprietary right or other interest in the Klemtu Terminal Property, or a treaty settlement confers or recognizes a proprietary or other interest of a First Nation in the Klemtu Terminal Property, and in either case, that proprietary right or other interest interferes with the Tenant's quiet enjoyment of the Klemtu Terminal Property as set out in this Lease (the determination of interference to be resolved by agreement or, failing agreement, by arbitration under this Lease).

- 48.3 Neither the Province's acknowledgement nor its agreements in Paragraph 48.1 and in Paragraph 48.2 in any way extends to any damages or any payments, whatsoever, where such damages or payments result or otherwise arise, in whole or in part, from a breach of this Lease or the actions or omissions of the Tenant, its employees, agents, contractors, successors, assigns or parties for whom the Tenant is by law responsible, or parties over whom the Tenant could reasonably be expected to exercise control.

- 48.4 Notwithstanding Paragraph 48.1 or 48.2, or any term of this Lease or the Coastal Ferry Services Contract:

- (a) the Tenant has a duty to mitigate any and all damages, and any payments which the Tenant may claim are payable in respect of a matter contemplated under Paragraph 48.1 or 48.2, and
- (b) the Province expressly reserves its rights to defend against any claim that the Tenant may make in respect of a matter contemplated in Paragraph 48.1 or 48.2.

- 48.5 The entitlement, if any, by the Tenant to make claims in respect of a matter contemplated in Paragraph 48.1 or 48.2 is intended to be exclusive and will not be cumulative or in addition to, and will be in substitution for, every other right, power and remedy existing or available to the Tenant at law or in equity, or in connection with the Ferry Terminal Lease, the Coastal Ferry Services

Contract, and this Agreement, or any of them, and the claim by the Tenant in respect of a matter contemplated in Paragraph 48.1 or 48.2 will preclude the simultaneous or later exercise by the Tenant of any other such right, power or remedy.

- 48.6 The Tenant will within 15 calendar days of becoming aware of any claim in respect of a matter contemplated in Paragraph 48.1 or 48.2, provide written notice to the Province and the Landlord of such claim, along with full written particulars of any such claim.
- 48.7 Upon receipt of any notice referred to in Paragraph 48.6, the Province may, in its sole discretion, retain and instruct counsel and make any decision or decisions and take any action or actions, including any decision or action governing any final disposition of any proceeding or settlement related to any such claim.
- 48.8 The Tenant will, in good faith and at all times, co-operate with the Province and counsel for the Province in any and all investigations, settlements and judicial determinations of any claims made in respect of matters contemplated in Paragraph 48.1 or 48.2.

49. ASSIGNMENT

- 49.1 The Landlord may assign and transfer this Lease during the Term upon written notice to the Tenant, and without limiting the generality of the foregoing, the Landlord may assign and transfer this Lease to the BC Transportation Financing Authority.
- 49.2 The parties hereto acknowledge and agree that upon the assignment of this Lease by the Landlord, the Province shall remain a party to this Lease solely with regard to the terms and covenants of Paragraph 48 and pursuant to the obligations of the Province in respect of Provincial Hazardous Substances.
