## Village Bay and Otter Bay terminal projects

As part of BC Ferries' ongoing commitment to safe, reliable, and efficient ferry service, we are making necessary upgrades to aging infrastructure at Village Bay and Otter Bay terminals. These improvements will help extend the life of the terminals, improve operational efficiency, and support the future needs of the communities we serve.

Construction at both terminals through early March requires adjusted scheduling and a **full berth closure at Otter Bay from March 6-10, 2026**. Details about the project, and planned alternate service are available on our website. Printed schedules will resume on March 11, 2026.

BC Ferries is committed to keeping the community informed throughout this project. Thank you in advance for your patience and understanding while we complete this critical infrastructure work.
