

Accessible Fare Identification Card Application

As part of the Provincial Government's Social Reimbursement Program, BC Ferries' passes along discounted fares to British Columbians who have a severe physical or mental impairment that is expected to continue for more than two years.

To receive the discounted fares, the Provincial Government requires that you apply for a BC Ferries' Accessible Fare Identification (AFI) Card and present a non-expired card to the Ticket Agent when you arrive at the terminal. This application is subject to review by government auditors.

A qualifying disability may result in the inability to:

- Carry out personal care activities such as preparation, serving and eating of meals, dressing, washing, bathing, personal grooming, etc.
- Be mobile without personal assistance
- Manage personal affairs without supervision

The discounted fare applies to the cardholder and one personal attendant 12+ years of age, if one is required. As discounts *cannot be applied* after you have completed your trip, any discrepancies involving your fares must be resolved at the terminal prior to sailing.

The Accessible Fare Identification Card is valid for two years and can be renewed by submitting a completed application form. Please allow 2-3 weeks to process your application.

Complete the attached application form and mail to:
